# About Alpine Select

2

- Alpine Select is an independent, SIX-listed company located in Switzerland advocating an active and value driven investment management style
- The company's goal is to achieve attractive absolute returns by building a global diversified alternative investment portfolio
- Target return is 6 - 8% p.a. above CHF risk free rate
- The foreign currency risk of the portfolio is hedged against CHF to offer a true CHF asset
- Alpine Select also takes positions and exploits opportunities in special situations (significant transactional events such as spin-offs, acquisitions, arbitrages, mergers, carve-outs and recapitalizations)
- The investment team is seasoned and well connected
- Net annualized share price return (Sep 2003 – Oct 2025): +5.51% p.a.

# Investment Rationale

---

3
